What Happened in October?

NOTES OF BARNSTORMERS MEETING OF October 8, 2001

ATTENDANCE

There were 22 members present. Angelo Sorcey was our guest tonight and joined for the year 2002.

OFFICER REPORTS

President: John Howe was absent

Treasurer: Bob Elsner was absent.

Vice President: John Janninck was absent.

Secretary: Scott Taylor served as President, Vice President, Treasurer and Secretary throughout the night. As Vice President, Scott said Hugo Mosquera donated some snow skis to be used as a door prize. Thanks Hugo!

Treasurer Scott said the treasury was solid and would only be reduced slightly after Secretary Scott submitted his newsletter bills.

Secretary Scott said there were two upcoming Swap Shops for those interested. The "Pot O' Gold" swap would be held on November 3rd in Mishawaka, Indiana, and the Heart of Illinois R/C Swap

would be held on November 4th in Washington, Illinois.

COMMITTEES

Fun Fly: Jim Paroline talked about the Lisle-Barnstormer fun fly. Everyone had a great time. The Lisle club had really been practicing. Their members had some great scores. Several of our members were pretty impressive, as well. Ron Meyer and Jeff Peca had perfect scores of 13 and David West scored a 12. Club scores were based on the totals for the top five flyers. In the end, we beat the Lisle club by just one point!

Next Sunday (10/15) would be the last fun fly of the season. A climb and glide is planned along with another event, and of course, food!

Flight Instruction: Jim Paroline reported that Josh Ostdick had soloed with a SPAD trainer, Mason Hurley has soloed, and Drew Oswald has soloed. Mike Cannata also stood up to thank Jim for all his help this summer.

OTHER BUSINESS

New York Disaster Help: At the last Board meeting, a recommendation was

made to donate \$250 to the New York relief effort through the Red Cross or Salvation Army. This recommendation was passed on to the membership. A motion was made to accept the recommendation and a unanimous vote sealed the decision.

ENTERTAINMENT

Scott Hurley gave a short presentation on designing your own SPAD, or Simple Plastic Airplane Designs. Discussion on how to build a twin engine model, such as the "Twin Mustang," were bantered about. Scott will bring some sample pieces and assemblies to the next meeting.

PLANES

Jerry Jeske had yet another vintage RC aircraft. This one from the late 70s, was an RCM Basic Trainer powered by a Fox .19 engine.

DOOR PRIZES/ROLLOVER

The skis were taken home by one of our members, unfortunately, I forgot to make a note of by whom.

There was no rollover raffle winner.

Turkey Raffle!!!

Next meeting, it's Turkey time! So don't fowl it up. You should gobble up the chance to take a big bird home with you. If you aren't there we just might think your chicken!

Lost and Found

Mike Cannata left his Hobico tach/volt meter at the field in early October. If anyone has seen it or knows of its whereabouts, please let Mike know. 630-351-7194

Steve Dietrich is looking for the August 2001 issue of Radio Control Modeler. Anyone still have a copy? Let Steve know at 630-832-4360.
