June 8<sup>th</sup> Fun Fly #2, Pratt Wayne Forest Preserve

June 9<sup>th</sup> Club Meeting, 7:30pm, Bloomingdale Library

June 22<sup>nd</sup>, Open House, Pratt Wayne Forest Preserve.

## Newsletter Notes

First off, let me begin to apologize for the delay in delivery of this month's newsletter. I have begun many new projects at work and between work and helping friends move and family matters, I found myself having almost no time this month to sit down and type until now so please accept my apologies. While on the topic of the newsletter, I need to ask a favor of my fellow club members. When it comes time to sit down and type up a newsletter that is usually around 4-7 pages in length, it is difficult to pull stories and info from one source. I need my fellow club members to contribute articles, concerns, safety issues, pictures, building tips,

techniques and other helpful info that people might miss at the club meetings. If 5 people contributed a half a page of content every month, the newsletter would be worth much more to the club members and potential club members. So, I ask this, if you have a certain technique, tip, or ANYTHING you want to contribute to the newsletter, you can either send it to me via email at [FLYHI263@aol.com](mailto:FLYHI263@aol.com) or call at 630-805-0966 and I will give you an address to send material. This would make it easier for me, the writer and publisher to create this newsletter every month and I can even put it on the website since I do that also. Thanks for your time and patience.

---

## Indoor R/C Flying

Well, we have finished our sessions at the White Pine Golf Dome for the indoor flying. Thanks go out to Mike and Jay at White Pines for allowing us to have a blast at 1AM. Also to Scott Hurley who made up the frequency pins and overseeing the outing. Thanks Scott!!

# Static Display Contest

We recently held out Static Display Contest. Here are a few photos from that night of creative display.

## Giant Scale Fun Fly Warm-Up

Well, we had our Giant Scale Fun Fly Warm-up for the season. We had 50° weather and horrible wind, but this is what we came up with for the day! Take a look at the pictures. We all had fun and the food was great, but we paid the price. We froze our tails off huh, Jim?

Sorry Jim, I had to show this one
