Fun Fly #5 Report

By Scott Taylor

The last fun fly of the season was held on Sunday September 18th. It was a great day for the event. Winds were light, temperatures comfortable, and skies mostly clear.

We had six pilots that joined in the flying fun. The pilots were Tom Lyons, Lino DiDonna, Scott Taylor, Dave West, Steve Merrill, and Paul Lund.

The event was a Touch and Go. The object was to take off, do once around the field, then 3 touch and goes. A good touch go got a score while an incomplete touch and go got no score.

First time around most of the pilots scored equally well, so the second round was made a little tougher. It was required to touch and go in the circle on the center of the runway. That proved more challenging but still ended up with two tied pilots, Scott and Tom.

So a third round was necessary to determine the winner. Tom Lyons emerged victorious! Ribbons were passed out to the top flyers.

Tom and Scott got 1st and 2nd respectively, but Steve and Paul tied for 3rd.

With the flying behind us, it was time for food and drink! Hector once again proved a great chef by preparing us brats and burgers! They were delicious as usual!

Thanks to all the participants and especially thanks to Hector for both coming up with the event and doing the cooking. Ron Hilger acted as our official Touch and Go judge and others helped as well.

All in all a great finish to the Fun Flying season!
