2017 Static Display – Winners!

By Scott Taylor

Our annual Static Display was held this year at the May 8th meeting. We had 12 participants and 13 entries.

Once again, we had three categories, the Almost Ready to Fly (ARF), Scratch and Kit Built, and Rotary Wing.

Everyone was a winner! However, Grand Champion status was conferred on only one person per category. **Bob Vance** took the honor in the ARF class, **Mike Skrysak** in the Scratch/Kit class and **Mike Cannata** in the Rotary class.

CONGRATULATIONS!

Fun Fly #1

Sunday June 11th will be our first Fun Fly. We will be having a limbo competition. Successfully fly under the line, and it will go lower! Should be fun. Hope to see you all there!

COMMITTEES

Safety Chairman: Tom Jennings no report

Dome Flying: Ofelia- Closed. One big thing is that next season we are only having the Dome for three (3) months Nov. Dec. Jan. on Fridays and Saturdays this is due to a very low attendance for Feb, Mar, Apr, the drones will have the place for their races. Drones will still be able to fly with us @ their regular corners. I

will let you guys know about the season passes. Quads are growing like weeds and are the new thing now.

Swap Shop: Marty Schrader – "Swap is over thank God." Not a lot of complaints due to a smaller venue.

We might raise the admission next year. We will work on it and let you know. Thanks everyone for all the help.

OLD BUSINESS- Dave West Business cards just our basic info. Cards will have a spot so you could write your contact info when you give them out. Great job West
