# Notes of Suburban RC Barnstormer Meeting

January 14, 2019

The January 14, 2019 membership meeting was called to order by **Hector Rivera** at 7:10 PM.

**Attendance:** There were 22 members present at the meeting held at the Itasca Public Library.

## OFFICER REPORTS

**President: Hector Rivera** stated that we will be discussing the membership survey a little later.

The next meeting will be February 11<sup>th</sup>.

**Vice President: Paul Kramer**, was unable to attend this meeting.

**Secretary: Ruth Egging**, did not have any updates.

**Treasurer: Bob Vance**, stated the balance at the bank was \$4752, however that did not include some deposits.

## COMMITTEES

**Safety Chairman:** We still need a safety chairperson

**Membership Chariman, Merv Keeney** stated that several members had already turned in their responses for the membership survey. The question was raised if this form could be put online to be able to complete and turn in. Web Master, Marty Schrader, stated that it could be put into an HTML format and Scott stated that this could be done, but there was still some discussion on how this would be turned in. I am not sure of what the final outcome was. To me it sounded as though a member would still have to save it and send it in, as is currently done.

**Fun Fly Chairman: Stanley Crowe** did not have any Fun Fly updates but wanted to know if any dates had been determined yet for the fun fly events. It was noted that a calendar of events will be posted on the web site, which will include the Fun Fly dates.

**Dome: Hector** stated that the dome is now open, there was some miscommunication, but it is now open for flying on Friday and Saturday evening from 9PM to 11PM. I believe that Saturday is for fixed wing only flying.

There was no discussion on old business.

## NEW BUSINESS

**The Swap** - The committee chairs, Tom, Chuck and Paul, will give full updates during the next meeting. They are working on getting insurance and spoke to the Treasurer about ow the insurance will be paid. They are also getting the lists ready to send out the letters to various groups and members. The ad for the Swap Shop should be in the next published magazine. They have already sold 26 tables. Flyers for the SRCB Swap meet are on the table. Also next month they will have a sign up sheet for volunteers for the Swap.

## PLANES

**Marty Schrader** stated that he did not have a new airplane this month but he really needs a 60 Amp ESC controller for a brushed motor.

**Scott Taylor** wanted to let everyone know that there is a Ham Radio Swap meet on Sunday, January 20<sup>th</sup>. Scott stated that they usually have some electronics that the RC flyers maybe interested in.
