## **Frozen Finger Fun Fly**

It was an overcast day with temperatures hovering around 28 degrees. There were light snow flurries floating around with a bit of mist mixed in and a light north east breeze. But overall, not bad for the 1<sup>st</sup> day of the new year!!

Not an ideal day for flying but that didn't stop the few brave enough to have their planes take to the air.

And the weather was also not tough enough to keep the 15 members and supporters from showing up. Always

amazing that this event on the 1<sup>st</sup> of the year is as well attended as any of our other Fun Flies!

When the Noon hour arrived, we all lined up for the group photo and 5 minutes later the parking lot was empty!

Thanks to the great group that showed up and they now become part of our club history!!

## Pictures from the Christmas Meeting 2018

We had about 25 members at our Christmas meeting the main events were food, door prizes, and charity raffle. And in that we had a great success! Good and plenty of food, everyone went

home with a prize, and we collected about \$400 to be donated.

Thanks to all that attended and participated!
