Leadership Elections

By Merv Keeney

At the August Zoom meeting Hector Rivera announced his plans to step down as President at the end of the year and noted the club elections coming in November. In contrast to the 2018 election when officers were willing to continue in their roles and were re-elected by members, this year we have a number of openings. Descriptions of officer, board, and chairman responsibilities can be found in the bylaws on the club website. Choose "Join SRCB" and click on active word, "bylaws."

The election is an opportunity for members to nominate persons you would like to lead your club-- or even to nominate yourself! If you are not ready to consider an officer role, there are open spots on the board and other club functions, i.e. Safety, Fun-fly, and Flight Instruction Chairman. Start thinking about how you would like to serve the club in the coming years, and contact Merv Keeney, Membership Development, at membership@suburbanbarnstormers.com with your nominations and suggestions.

Meeting Notes for Membership Meeting

August 3, 2020

Membership Meeting was called to order on August 3, 2020 at 7:10 PM.

Attendance: There were 13 people connected to the online meeting held through the Zoom application. Three of the connections were new to our meeting.

OFFICER REPORTS:

President: Hector Rivera started by having the new people tell about themselves. First was **Jerry Chmura** who is getting back into the hobby. Next was **Harry Lyon** who has done most of his flying virtually (flight simulator). He was followed by Bilal. Bilal said his last name was Ahmed (note I am not sure of the spelling of his last name). Bilal has not had much experience flying but does have an airplane and he is looking for parts for it. Steve Thill gave some information to Bilal.

We will be continue doing the meetings through Zoom and the next membership meeting will be September 7th which is Labor Day and the next Board Meeting will be August 17th. We voted on whether to have the next membership meeting on September 7th. Since we all cannot go flying the decision was that we will go ahead and meet on Labor Day.

Due to the corona virus issues Hector wanted to confirm that Steve Thill was comfortable doing the training since there are several members wanting training.

Vice President: Paul Kramer had installed the rack to the flight stand that will hold information and anything we might put there.

Secretary: Ruth Egging thanked Scott Taylor for taking over the Secretaries duties last month. What a great job he did.

Treasurer: Bob Vance stated that the bank balance is \$5722. Bob also wanted to let everyone know that his comcast email had been hacked. Do NOT send anything to RobertGVance@comcast.com.

COMMITTEES

Safety Officer: Larry Amiot did not have any safety updates.

Membership: Merv Keeney is still working on the Donated Items policy.

NEW BUSINESS

Bob Vance was requesting help to determine why he cannot get the motor to his Das Little Stick airplane to show up. **Steve Thill** gave him some suggestions and stated that it is not recommended to reuse some parts.

Hector wanted to let everyone know that all the Board positions will be available at the November elections. Everyone should start thinking about whom they would recommend or what positions they may want.

ENTERTAINMENT

Scott Taylor had a 15-minute video on the FAA Drone changes and asked if members wanted to see it as the information does affect everyone. We all did watch the video.

RAFFLES

Here are the winners from the August meeting.
Door prize #2 **Brian Doughty**
Turkey #7 **Paul J. Kramer**
