April Swap and May Static Display

Our main event in April is rapidly approaching. Our Annual Swap Shop will be happening on Saturday April 20th from 8:00am until 12:00pm at the DuPage County Fairgrounds. As usual we will need plenty of volunteer help to assist vendors unloading and loading, man exit doors, sell door and raffle tickets, and assist in checking vendors in and selling any unused tables.

Please let us know at one of the next two meetings if you will be able to help. This is our main money making activity for the year and runs on person power!

The Swap provides another opportunity for members. To find those special deals and planes

and then share them with the rest of the club at the annual Static Display!

For the Static Display in May, the current plan is to maintain the three categories we have supported that past few years. These would be Scratch/Kit built models, Almost or Ready to Fly models, and rotary wing models (both helicopters and drones).

All entries must be wirelessly remote controllable but can be powered by any source (i.e. rubber, electric, glow, gas, or air!). Entries should not have been a previous Grand Champion winner.

Notes of Suburban RC Barnstormer Meeting

February 11, 2019

Membership Meeting was called to order at 7:10pm on February 11, 2019.

Attendance: There were 10 members present at the meeting held at the Itasca Public Library. The low turnout is due to the bad weather that the Midwest is having this winter.

OFFICER REPORTS

President: Hector Rivera stated that Art Peterson has a Club Flyer, a Trainer and several other items that he needs to sell or donate. Art is unable to fly any more. It was suggested that a thank you letter be sent to him.

Vice President: Paul Kramer did not have any updates.

Treasurer: Bob Vance stated that the bank balance is about \$5,200. Bob also read some of the meeting minutes from Chicagoland RC. They met on 2/11 and their board meeting will be on 2/25. Their meeting minutes were very similar to ours, they had 18 members present. Rock Valley Flyers is having a swap meet according to a flyer that Bob had.

Secretary: Ruth Egging did not have any updates.

COMMITTEES

Safety Officer: Doug Penney volunteered to be the Safety Officer.

Dome: The dome is open Fridays and Saturdays from 11 PM to 1 AM. Fridays are fixed wing and Saturdays are for drones.

Someone mentioned that there is an indoor place to fly in Naperville called The Yard. It is an indoor soccer field. They are open Monday,

Tuesday and Wednesdays from 12 AM to 3 AM. It is \$8 per person.

Public Relations: Merv Keeney had fallen and was unable to attend, however he had contacted Hector and wanted to remind everyone to turn in their surveys.

NEW BUSINESS

If anyone was looking for FTP Racing, they had moved on York Road in Elmhurst.

An update was given about Gerry, he is at Marian Joy now.

Tom McCreery is in the hospital; he is doing okay and undergoing more tests.

Swap Meet

Chuck Weibler reported that the Shop Meet ad is in the AMA magazine.

They had sent an email to the Clubs and the letter to Vendors.

29 tables had been sold, a little concerned that they had not gotten a bigger response yet.

A signup sheet had been passed around.

Marty informed the committee that they need to get a key to the building prior to Friday's set up for the Swap.

PLANES

Marty Schrader had an F35 made from foam. He had taken an acrobatic plane like an F22 and changed the wing design to an F35. He had made it stiffer, and it weighed in at 160 grams.

RAFFLES

There are odds and ends in a box on the table and hoping someone will win the roll over prize. Marty Schrader won the Turkey.
