The President's Perspective:

— Bob Sulla

“Hear Ye, Hear Ye!”

Hot News Items:

***** PWW was granted FRIA status *****

The FAA has announced they are extending the Remote ID enforcement date by six months. Operators now have until March 16, 2024 before they will have to comply with the rule. This extension provides the FAA more time to approve FRIA applications and manufacturers the time for production of broadcast modules.

AMA Associate Vice President Illinois John Fischer presentation RE: FAA LOA process, Remote ID update etc. at the November 13th membership meeting.
