The President's Perspective:

— Bob Sulla

Hot News Items:

2024 Budget Approved

We are extending the free membership for youth (17 and under) for another year.

If you would like to be a part of the nominating committee to work on finding people to fill positions, please contact one of the officers.

At the Board meeting 2/26/2024 we invited Dave Bella and Tim Crowe to share their ideas concerning membership development including a possible travelling demo and instruction with flight simulators. They are going to assume the roll of Membership Development coordinators.

We have two Real Flight sim packages and are working on how to proceed with the travelling road show.

Coming Soon:

2024 Membership Meetings Topics & Funflys

03/11 — Electric Power Systems with Marty S.

03/19 — PropMasters Snag-a-Deal

04/08 — People's Choice Static Award Contest

05/04 — SRCB Tailgate Swap St. John Newman Church

05/13 — Helicopters with Kurt K.

05/19 — FF #2 60 second Looper — Ernie B

06/10 — Name that Plane — Ernie B

06/16 — FF#3 Bomb Drop & Target Landing — Hector R.

07/08 — 3D Print demo — Bob,

Meeting Notes from Membership Meeting

February 12th, 2024

ATTENDANCE:

We had 11 members attend the December meeting.
There were no Zoom meeting.

OFFICER REPORTS:

President: Bob S. FRIAs acquired for PWW and Manville.

Vice President: Bob V.

Secretary: Ernie B. Talked about finding funfly coordinators and people to present subjects at the membership meetings.

Treasurer: Kurt K. Presented the 2024 budget, there was discussion about a few line items but eventually the budget was approved.

Balance in the treasury is \$5,749.11

Flight Instr: Chuck W. not present

Safety: Ron W. not present

FunFly: Paul K. / Hector R.

General Discussions:

There was a lot of discussion regarding whether ZOOM was still needed, the decision was that it is necessary for Board meetings and comes in handy when in-person attendance is not possible.

Entertainment:

Links to the Videos Bob V. put up at the meeting:

RC Airliner best scale build of an RC Tristar Lockheed L-1011 turbine RC model with pushback

Items to trade, sell, give away or items wanted

If you have items you wish to trade, sell or give away to clean up your shop, just shoot me an email and I'll add them to the list.

If you want something, such as a prop or ESC or some other item we can post it as wanted and if someone has that item we can put you in touch with that person.

My contact info is secretary@suburbanrcbarnstormers.com.

Best Regards
Ernie

1) Typhoon by Phoenix (Pattern Plane) has traditional all wood construction with a 59 inch wing-span and will fly precision aerobatics well on a 4S battery. The Typhoon is ready to bind and fly with Spectrum radio gear.	Bob S.			X	\$120.00	

Safety is Important!!!

K. Krempetz
February 2024

Safety is very important, not only for our personal wellbeing, but also to assure we keep our flying sites. Below are some general rules that the AMA requires we as pilots following.

Please read them over and follow them.

If you have any questions or need clarification about them please let me know.

- I will not fly a model aircraft in a careless or reckless manner.
- I will not interfere with and will yield the right of way to all human-carrying aircraft using AMA's See and Avoid Guidance and a spotter when appropriate.
- I will not operate any model aircraft while I am under the influence of alcohol or any drug that could adversely affect my ability to safely control the model.
- I will avoid flying directly over unprotected people, moving vehicles, and occupied structures.
- I will maintain visual contact of an RC model aircraft without enhancement other than corrective lenses prescribed to me. When using an advanced flight system, such as an autopilot, or flying First-Person View (FPV), I will comply with AMA's Advanced Flight System programming.
- I will only fly models weighing more than 55 pounds, including fuel, if certified through AMA's Large Model Airplane Program.
- I will only fly a turbine-powered model aircraft in compliance with AMA's Gas Turbine Program.
- I will not fly a powered model outdoors closer than 25 feet to any individual, except for myself or my helper(s) located at the flight line, unless I am taking off and landing, or as otherwise provided in AMA's Competition Regulation.
- I will use an established safety line to separate all model aircraft operations from spectators and bystanders.

Indoor Flying 2024

The Naperville Yard is again offering indoor flying this year starting Wednesday, Jan 10 and continuing on Wednesdays.

Flyers invited 11 AM to 2 PM.

Cost is \$10.00 per person.

The Yard is located at 1607 Legacy Circle, Naperville.
